"Driving Sustainable Futures through Biotechnology and Innovation"

4th International Conference · ICBSN 2026 | 17–18 December 2026 | Kathmandu Valley, Nepal

Organized by **Biotechnology Society of Nepal (BSN)** · bsn.org.np · info@bsn.org.np

About the Conference

The 4th International Conference on Biotechnology — ICBSN 2026 — brings together scientists, researchers, academicians, industry leaders, entrepreneurs and students from across the globe to share knowledge, foster collaboration, and address pressing global challenges through the transformative power of modern biotechnology.

Nepal sits at the crossroads of unique Himalayan biodiversity and rapidly growing scientific capacity. BIO-INSPIRE 2026 offers delegates unmatched access to regional bioresources, cross-border South Asian collaboration, and a globally connected scientific community — all within an inspiring mountain setting.

Conference Objectives

- Promote interdisciplinary research in biotechnology across life science sectors
- Bridge the critical gap between science, policy, and industry
- Encourage breakthrough innovation and sustainable biotechnological solutions
- Provide a premier global platform for open knowledge exchange
- Inspire young researchers and cultivate the next generation of scientific leaders

CALL FOR ABSTRACTS

Share your research with the global biotechnology community

We warmly invite researchers, students, and professionals to submit original abstracts for presentation. All submissions are rigorously peer-reviewed by the BSN Scientific Committee.

ORAL PRESENTATION

Formal talk with Q&A in thematic parallel sessions

POSTER PRESENTATION

Interactive display and expert discussion

Publication Opportunity

Selected high-quality papers will be considered for publication in a peer-reviewed journal — **Nepal Journal of Biotechnology (NJB)** or equivalent. Open access. Internationally indexed.

Networking receptions, industry roundtables, and startup showcases included for all registered delegates.

Important Dates

AWARDS & RECOGNITION

Get recognised. Get remembered.

Six prestigious awards celebrating excellence across all career stages. Whether you are a first-year student or a distinguished researcher — your work deserves a spotlight.

Best Oral & Poster Presentation

Young Scientist Award

Women Scientist Award

Distinguished Scientist Award

Distinguished Professor Award

Innovation & Entrepreneurship Award

Fellow of the Biotechnology Society of Nepal (FBSN)

Excellent Institution Award

Why Nepal? Why Now?

Nepal sits at the crossroads of unique Himalayan biodiversity and rapidly growing scientific capacity. BIO-INSPIRE 2026 offers delegates unmatched access to regional bioresources, cross-border South Asian collaboration, and a globally connected scientific community — all within a uniquely inspiring mountain setting.
